

# MENU COVERS FOR FOLDED MENUS

## CAROLINA COVERS

Folded menu inserts are held in place with an **elastic loop or cord** that is tied around the spine. For menus with multiple pages, we recommend four eyelets in the spine to hold inserts firmly in place. **Elastic Loops and Cords are sold separately (see below).**

Choose any of our turned edge cover materials to produce this simple streamlined cover.

**Same price as our 2-View Double-Panel Boodle Books**  
(find Part #7002 in our Boodle Book pricing tables)

### Options:

**POCKET** – Add a pocket on inside spine to conceal the elastic cord... add \$5.00 per book
