WITH FOLDED BASE

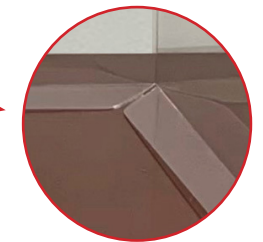

WITHOUT FOLDED BASE

Personal Desk Shield

- Crystal clear rigid 40-gauge PETG panels.
- Protects against droplets and airborne germs; is easily wiped clean and sanitized.
- Shipped with protective plastic covering on both sides to keep shields clean and scratch-free; must be peeled off before use.
- Available with or without stabilizing folded base. Folded base is 1.25" and holds shield steady on desk.
- Both styles are very stable and are available in 3 heights.

### PRICING

Prices are per shield and do not include stabilizing clips.

For larger volume orders, contact your sales rep. for special pricing.
